

UECN Trusted Partner

What it confirms

Identity, registration and compliance status are verified.

Who it is for

Individuals and companies doing UAE–China business. Individuals and organisations with an active UECN membership. Student Members are not eligible.

How it is verified

Every application: online identity verification (document and liveness); sanctions, PEP and adverse-media screening; online signature of the Code of Conduct — no upload is needed for these. Chinese companies via the Qichacha lookup; UAE trade licences via issuer QR or a KYB provider; beneficial owners screened; two business referees; companies need 12 months of operating history.

What you submit

1. Individual: Proof of current role (employment letter or own company licence)
2. Organisation: Trade licence or business registration
3. 2 business referees: name and e-mail address (work e-mail on an organisation's own domain)

Files

PDF, JPG or PNG; at most 10 MB per file; at most three documents per certification. Documents are encrypted and seen only by reviewers.

Fee

Your fee for your membership grade — or “Included” — is shown in your Membership Portal before you pay. Checks start only after the payment is confirmed. Payment never changes a check result. If the application is finally rejected, the fee is refunded automatically, less any third-party verification cost shown before payment.

Processing time

Automated checks: minutes to one business day. Referee and client confirmations: up to 14 days, with two automatic reminders; you may replace a referee who does not respond. Applications under review: about 5 business days.

Validity and renewal

The certification runs with your membership period (one year) and is renewed by re-confirming your details — not by reapplying. A lapsed membership suspends the certification.
